CRB Division of Barchart Announces Launch of Eurex European Markets Newsletter

CHICAGO, IL – March 19, 2008 – Barchart.com, Inc., a leading provider of futures, equity and foreign exchange market data today announced the launch of a European markets focused e-newsletter that it produces on behalf of Eurex, the leading European derivatives exchange. The newsletter, named *Eurex - European Market Outlook*, is a complimentary weekly e-newsletter produced for Eurex by the Commodity Research Bureau (CRB), a leading provider of futures market research, data and analysis, division of Barchart.

The *Eurex - European Market Outlook* will offer investors a new way to preview the week ahead in European markets. The newsletter is delivered to recipients via e-mail before the start of trading on Monday mornings. Recipients benefit from insightful commentary from CRB economists on the European stock and interest rate markets as well as a helpful economic calendar. The newsletter content will include market summaries for the previous week, as well as previews for the week ahead. The newsletter is available for sign up by visiting the Eurex website under the MyEurex section.

"CRB is proud to produce the *Eurex - European Market Outlook*," said Eero Pikat, President of Barchart. "The newsletter will provide investors with easy access to concise European market information contained all in one place," said Pikat.

Heike Eckert, Executive Vice President at Eurex added "Providing investors with a complimentary preview of the week ahead in European markets will help broaden knowledge of both the overall European marketplace and benchmark Eurex products. Working with CRB allows us to leverage their quality research."

To register to receive the newsletter via email, visit www.eurexchange.com/myeurex. Please login or create an account, then visit Services to select the newsletter. To view this week's newsletter please visit: <http://www.eurexchange.com/emo/170308>.
