### **Barchart.com Launches CRB News and InsideFutures.com News Feed**

CHICAGO, IL – December 5, 2007 – Barchart.com, Inc., a leading provider of futures, equity and foreign exchange market data and information, today announced the launch of CRB News ([www.barchart.com/crbnews](http://www.barchart.com/crbnews)) and InsideFutures.com News ([www.barchart.com/insidefuturesnews](http://www.barchart.com/insidefuturesnews)), two new services which feature real-time market news, commentary and analysis. The name CRB News comes from Commodity Research Bureau (CRB) which is owned by Barchart. InsideFutures.com is a Barchart owned futures market commentary and analysis focused web-portal.

CRB News will feature a real-time newswire service containing commodity market news, such as USDA reports and news articles, plus morning, midday and closing market reports. CRB News will also feature concise agricultural focused market commentary broadcasted several times per day. The CRB News feed is available to clients for redistribution as well as directly to end-users. The InsideFutures.com News feed is a consolidated feed of market commentary and analysis from a variety of industry leading analysts covering all futures markets. The InsideFutures.com feed offers market participants access to aggregated futures market information from a single source.

“CRB News delivers real-time reports and news for the commodity markets direct from sources such as the USDA, plus we maintain an active archive of reports and articles that users can easily filter,” said Barchart President Eero Pikat. “Additionally, the InsideFutures.com News feed is unique as it provides market participants with market commentary from a variety of perspectives,” said Pikat.

Licenses for CRB News and InsideFutures.com News are available from Barchart for institutions as well as individual end-users. For more information and to view the live feeds, please visit [www.barchart.com/crbnews](http://www.barchart.com/crbnews) and [www.barchart.com/insidefuturesnews](http://www.barchart.com/insidefuturesnews).
