Barchart Launches New Website for Institutional Clients

CHICAGO, IL – November 18, 2008 – Barchart.com, Inc., a leading provider of market data and information, today announced the launch of a new Barchart Market Data Solutions website or www.barchart.com/solutions, a business-to-business (B2B) focused website. The Barchart Market Data Solutions website highlights the main institutional services Barchart provides, including Website Content, Data Feeds, Desktop Products, Research & Indices and Custom Solutions. The website also features B2B solutions offered by the various divisions of Barchart, including Digital Data Feed (DDF), Commodity Research Bureau (CRB) and AgriCharts.

“Our new institutional or B2B website showcases the variety of market data solutions we provide, as well as the types of content we offer and customers we serve,” said Mark Haraburda, Head of Business Development and Sales for Barchart. “The website also does an excellent job highlighting our solutions beyond website content and data feeds, as we also feature the various research, index and custom solutions we provide,” said Haraburda.

The new website details the various types of businesses Barchart provides services to, including: Financial, Agriculture, Energy, Media, Portals and Public Companies. Additionally, the B2B website provides detailed information on the markets and data Barchart covers, such as Equities, Futures, Foreign Exchange, Indices, Mutual Funds and Exchange Traded Funds.
