Item 1.01 Entry into a Material Definitive Agreement.

On February 28, 2023, CHS/Community Health Systems, Inc. ("CHS"), a wholly-owned subsidiary of Community Health Systems, Inc. (the "Company"), entered into an Asset Purchase Agreement ("Purchase Agreement") with Novant Health, Inc., a North Carolina non-profit corporation ("Purchaser"). Pursuant to the Purchase Agreement, and subject to the terms and conditions set forth therein, Purchaser has agreed to acquire substantially all of the assets, and assume certain liabilities, from CHS related to, (i) Lake Norman Regional Medical Center in Mooresville, North Carolina and (ii) Davis Regional Medical Center in Statesville, North Carolina (the transactions contemplated by the Purchase Agreement, the "Transaction"). The total purchase price payable by Purchaser to CHS at the closing of the Transaction is \$320 million in cash, subject to adjustment based on closing net working capital and the amount of any capitalized leases assumed by Purchaser.

The Purchase Agreement contains various representations, warranties and covenants made by the parties. The Purchase Agreement also provides for indemnification by the parties with respect to breaches of representations, warranties and covenants by such parties, as well as with respect to certain other indemnifiable matters specified in the Purchase Agreement.

The closing of the Transaction is subject to the satisfaction or waiver of certain closing conditions set forth in the Purchase Agreement, which includes the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. Consummation of the Transaction is currently expected to occur in the second half of 2023.

The Purchase Agreement may be terminated by either party under certain circumstances set forth in the Purchase Agreement, including if the Transaction is not consummated on or before December 31, 2023.

The Purchase Agreement provides that, at closing, the parties, and/or their respective affiliates, will enter into certain ancillary agreements, including transition services agreements under which CHS and/or an affiliate thereof will provide certain information technology and operational transition services to Purchaser for a period of 12 months following the closing.

The foregoing summary of the Transaction and the terms and conditions of the Purchase Agreement is subject to, and qualified in its entirety by, the full text of the Purchase Agreement, which is attached hereto as [Exhibit 2.1](#) and incorporated herein by reference. The representations, warranties, and covenants contained in the Purchase Agreement were made solely for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to the Purchase Agreement, may have been qualified in the Purchase Agreement by confidential disclosure schedules (which disclosure schedules may contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in the Purchase Agreement), may be subject to limitations and contractual risk allocation mechanisms agreed upon by the parties to the Purchase Agreement, and may be subject to standards of materiality that differ from what an investor may view as material, and thus should not be relied upon as necessarily reflecting the actual state of facts or conditions.

Item 8.01 Other Events.

On February 28, 2023, the Company issued a press release announcing CHS's and Purchaser's entry into the Purchase Agreement. A copy of this press release is attached hereto as [Exhibit 99.1](#) and is incorporated herein by reference.
