

Data Management Solutions

Your data. Delivered.

barchart

We Integrate.

We Aggregate.

We Distribute.

Barchart is relied on to deliver high-availability, high-quality market data solutions for demanding institutions.

The same exacting standards used to power our robust and scalable infrastructure is now available to clients as an enterprise data solution.

Power the integration, aggregation, distribution, and maintenance of your firm's data with Barchart's Enterprise Data Management services.

Focus on what drives your business

Make Decisions Faster

Get data when and how you need it – delivered via API directly into the platform of your choice.

Focus on Sales, not Process

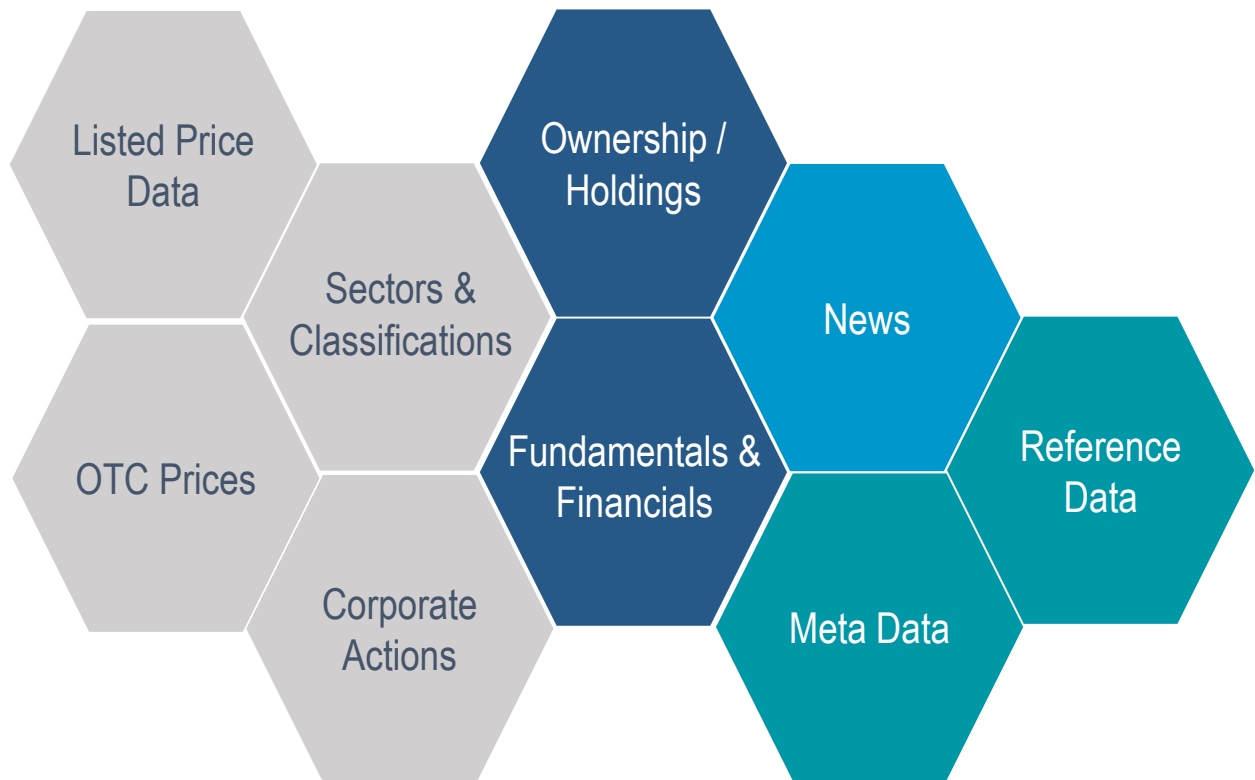

Worry less about how you can deliver client solutions, and more time pitching to them.

Productize Your Data

You have data that's valuable, but difficult to distribute – we make it easy to monetize.

Barchart integrates, so you don't have to...

Our diverse coverage of core financial data allows clients to cut redundant costs integrating and maintaining data that isn't mission critical to your business

We combine our data with your proprietary data...

and deliver all of this content exactly how your organization needs it

Problem:
We can't monetize
our data assets

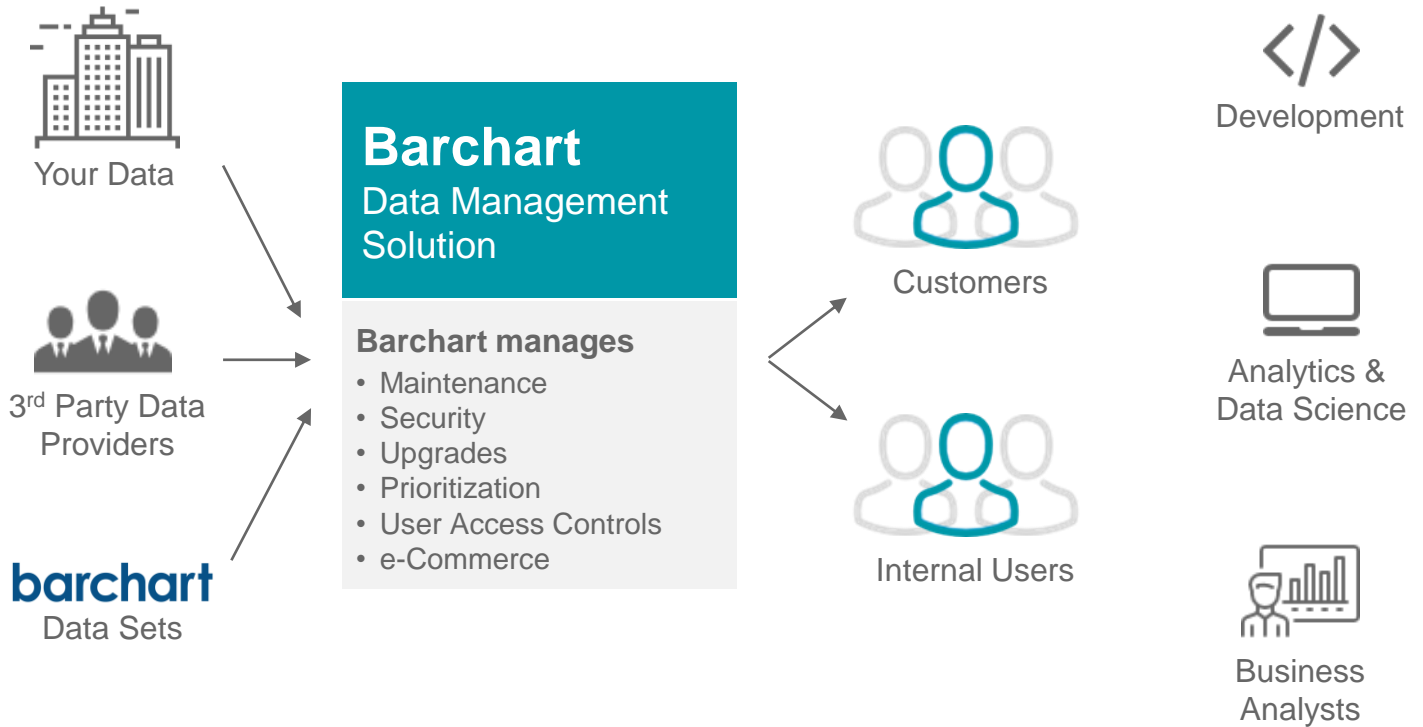

Solution:
Barchart integrates with your internal datasets and builds
APIs to deliver this newly productized data to users – both
external and internal

**Barchart manages and hosts the solution, but you
retain full control of customer relationships and
experience**

Problem:
Our data assets are too complex

Solution:
Barchart combines your internal datasets, content you already license, and incremental datasets from Barchart – all delivered in the cloud for simplified access

Let Barchart simplify your complex data infrastructure – letting you focus on things that are core to your business

Why Barchart Data Management?

Data management is what we do to power our own applications and solutions – let us do what we do best for you.

Our customers count on Barchart to deliver continuously, and we take great pride in serving and supporting our clients at the highest level.

Barchart is nimble, flexible, and easy to work with – we are confident in the solutions that we can deliver to your firm.

Monetize Your Data
